GOVT. ENGINEERING COLLEGE , WAYANAD

A BRIEF HISTORY

Wayanad District came into existence on 1st November, 1980 as the 12th District of Kerala consisting of Mananthavady, Sulthanbathery and Vythiri Taluks. The name Wayanad is derived from Vayal Nadu which means the land of paddy fields. It is a picturesque plateau situated at a height between 700 meters and 2100 meters above the mean sea level nested among the mountains of the Western Ghats on the Eastern portion of North Kerala and on the sides of Tamil Nadu and Karnataka States. The culture of Wayanad is mainly tribal oriented. Though considered as backward, this District is perhaps one of the biggest foreign exchange earners of the State, with its production of cash crops like pepper, cardamom, coffee, tea, spices and other condiments.

Govt. Engineering College, Wayanad is one of the 9 Government Colleges Under Directorate of Technical Education (DTE), Govt of Kerala. The college is located 6 km from Mananthavady, in the hilly district of Wayanad. The campus is situated on the side of Mananthavady-Kannur state highway.

GEC Wayanad have four regular B.Tech courses - Computer Science & Engineering, Electronics & Communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering, a part-time evening B.Tech course in Electronics & Communication Engineering and two M.Tech courses -Communication Engineering & Signal Processing and Computer Networks & Security .

The Mission of the college is to impart quality engineering education and to develop high quality technocrats with ingenuity , creativity, innovation, leadership and ethical values for the integrity and prosperity of our nation. The vision ensures a better world driven by technology and rooted in values through enlightened and empowered engineers.

The NSS unit of the college began to function during its early years itself. The current Programme Officer is Sri. Abid Tharavattath, Computer Programmer (HG). 100 volunteers are enrolled in this year and the activities are going well.

Conclusion

National Service Scheme is a social movement of students. So its main field of activity is the society itself. All the programs conducted by this team will be related to society in some manner. Since the organisers are a group of students they will need support from many individuals , institutions , associations and other similar bodies who render their service to society. During the year 2015-16 we had got a lot of support from various nook and corner of the society. We express our sincere thanks and gratitude to all of those who showed light in our path especially the following.

1. Dr. B.Vijaya Kumar (Director of Technical Education)
2. Sri.Sambasiva Rao IAS (Sub Collector, Mananthavadi)
3. Dr. K.Prakash (State NSS Officer)
4. Sri.G.P.Sajith Babu (State NSS Director)
5. Sri.Abdul Jabbar Ahammed (State Programme Co-ordinator)
