## ***1. Introduction***

Government Engineering College, Wayanad (GECW) was established by the Government of Kerala in 1999. From its humble beginning in the campus of Government College, Mananthavady it has grown to be a prestigious institution for Engineering Education in the northern part of the State. The college offers B.Tech and M.Tech courses in the following disciplines:

- B.Tech. in Computer Science and Engineering(Full Time and Part Time)
- B.Tech. in Electronics and Communication Engineering
- B.Tech. in Electrical and Electronics Engineering
- B.Tech. in Mechanical Engineering.
- M.Tech. in Communication Engineering and Signal processing
- M.Tech. in Network and Security

As on March 2016, there are about 1100 students pursuing their studies in GEC Wayanad, out of which 72 are pursuing their PG Degree.

GEC Wayanad was affiliated to Kannur University till 2014-15 .From 2015-16 onwards, it is affiliated to newly formed Kerala Technological University.

The institution is currently receiving financial assistance under Technical Education Quality Improvement Programme (TEQIP) Phase 2 of MHRD, Government of India,which aims to improve the quality of technical education across the country. The institution made commendable progress in executing the TEQIP programme last year. During 2015-16, an amount of Rs. 178.46 lakhs was utilized under TEQIP.

## ***Mission***

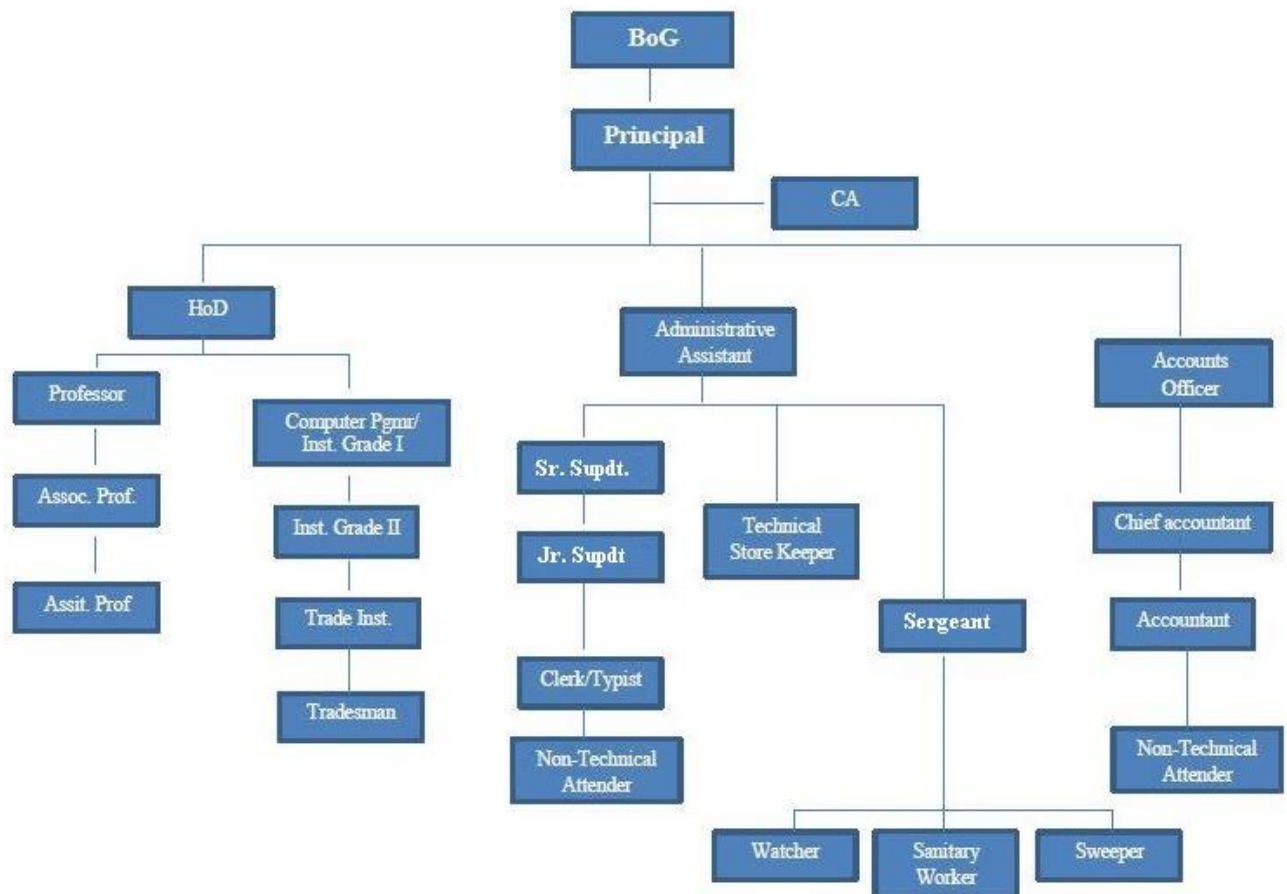

To impart quality engineering education and to develop high quality technocrats with ingenuity, creativity, innovation, leadership and ethical values for the integrity and prosperity of our nation.

## ***Vision***

A better world driven by technology and rooted in values through enlightened and empowered engineers.

## ***2. Administration and Governance***

## 2.6 College Council

The college council consisting of all Heads of departments, Secretary of PTA, and two elected representatives of the faculty provide necessary assistance to the Principal for smooth functioning of the college. The council meets once in every week. The minutes of the meeting circulated among all faculty and staff members. The council consists of the following members.

Sl.No	Name	Designation
1	Dr. Abdul Hameed KM	Principal
2	Prof. Anitha V.S.	HoD Computer Science and Engineering
3	Dr. Sajith K.	HoD Electronics and Communication Engineering

### 3.3 Professional Society Activities

A student branch (Code-STB11161) of the Institute of Electrical and Electronics Engineers (IEEE) is functioning in the college from August 2012 onwards. The branch is attached to IEEE Malabar Subsection under Kerala section. The office bearers of the branch are elected from M. Tech, pre-final and final year students

IEEE GECWayanad Committee for the year 2015-16

- Branch Counselor : Prof. Shabeer KP
- Branch Chair : Mr.Arunmon, AP CSE

### **3.9 Step4U**

In 2015-16, 35 SC/ST students were given coaching for GATE Examination through Competitive Examination Program under STEP4U. Remedial classes were conducted for first year and third semester subjects under OPES of STEP4U. Also Language Training was given to students through Soft skill Training in Language Lab.

#### ***4. TEQIP (Technical Education Quality Improvement Programme)***

The TEQIP project is managed by TEQIP Cell. The principal of the institution acts as the Director of the programme and assists in TEQIP related activities by Prof. Umesh A. C, who is the coordinator of TEQIP program. Board of Governors provides guidance for all activities under TEQIP. There is an Executive Committee formed to oversee all activities under TEQIP. The members of Executive Committee are:

- (a) TEQIP Coordinator: Mr. Umesh A.C.
- (b) Financial Nodal Officer: Mr. Sivadasan K.V.
- (c) Academic Nodal Officer: Dr. Cible K. K.
- (d) EAP nodal officer: Dr. Subin P. Joseph
- (e) Procurement Coordinator: Mr. Shabeer K. P.
- (f) IIIC Coordinator: Dr. Lijo V.
- (g) R&D coordinator: Dr. Cible K.K.
- (h) Civil works Nodal Officer: Mr. Ansu V.
- (i) Monitoring and Evaluation nodal officer: Dr. Sreekumar C.
- (j) Web Administrator: Mr. Abid Tharavattath

Members of Executive Committee are assisted in their functional area by representative from all departments.

Further the expertise of the following senior academicians is utilized for strengthening the programme.

- (a) TEQIP Mentor: Prof (Dr). A. Sukesh Kumar
- (b) TEQIP Performance Auditor: Prof (Dr). L. M. Patnaik
- (c) TEQIP Senior Research advisor: Prof (Dr). Ashok Rao

In order to assist the functioning of TEQIP office, following officials are engaged on contract.

1. MIS Officer : Ms. Bellona Thankachan
2. Accountant : Mrs. Shakkeela Athilan
3. Data Entry Operator: Mrs. Ashitha N.

## PUNARJJANI -16

“Punarjjani” is one of the dream project of NSS Technical Cell. Most of the furniture and biomedical equipment in government hospitals is damaged and kept aside due to lack of timely repairing or caring. The NSS units of the college selected “Punarjjani” as the project of this year’s annual seven day camp. The hospital selected for activity was Wayanad District Hospital at Mananthavady. The hospital was one of the largest hospital in Kerala in outpatient daily rate. Also, this is the hospital in Kerala where the largest number of tribes come for treatment. The camp was scheduled from 23/12/2016 to 30/12/2016. The equipment repairing was very successful. We re-created assets of value Rs. 32,23,000/- (Rupees Thirty two lakhs twenty three thousand only). The team repaired ECG machines, nebulizers, B P Apparatus, Suction apparatus, defibrillator, laundry machine, X-ray rail, geriatric cot and so on. Also a number drip stands, oxygen cylinder carriers, patient cots, medicine tables, trolleys and wheelchairs were repaired and made available for the use of patients. Some of them were costing more than one lakh rupees. The computers in office, Photostat machine, plumbing works, door complaints and electrical wiring works were also carried out at different places. The whole staff and patients were very happy to get all these repaired free of cost.

Besides the fund allotted for “Punarjjani” project we also utilized the fund allocated by NSS Technical Cell for special camp 2016. The HMC also was very supportive. 10 liters of paint, turpentine and painting brushes were also provided from HMC fund.

### Works in Adopted School

The thought of adopted school was put forward by the honorable Vice Chancellor of the Kerala Technological University Sri.Kuncheria P Isaac. In accordance with this we decided to adopt G U P School Mananthavady. The school PTA decided to create a biodiversity park in the waste land near the gate. The program was named “MuttathoruKavu “. As per the program a lot of saplings including herbal plants were planted in this area. In order to make school students aware about energy conservation our unit designed a program “STEP” – Students Together for Energy Protection. The volunteer team inspected the computers and identified three working computers. Also the problems of five computers were rectified. We cleaned all the toilets and provided buckets, mug and toilet cleaning brushes to all the toilets. The main water supply pipe was leaking just at the entry point itself. Being an overhead pipe it was creating difficulty to all the people who pass through the way. The volunteer team cut the pipe and rejoined. The problem solved and the leakage of water also stopped conserving the water at the needed time. The waste water and wastes from classes were not properly managed. Waste water simply flowed to the courtyard and wastes were just piled Government Engineering College Wayanad

in a corner. As per the request from the school authority, we made a waste water pit near a tree to get it watered. Also a waste paper pit was dug behind the stage where wastes can be dumped and burned.

### **“VishaRahithaVishu” Project**

The major part of vegetables consumed by Keralites were imported from Karnataka and Tamilnadu. The pesticide content of those vegetables was found far above the limited level. The increase in cancer patients counts in Kerala in recent years is suspected to be the result of consumption of this polluted vegetables.

The National Service Scheme Technical Cell decided to control the flow of poisonous vegetables to Kerala through a novel idea. A project named “VishaRahithaVishu” was introduced to promote organic farming in campuses. Through this project every unit is assumed to produce at least 10 Kg of vegetables for Vishu market or for the staff and students of the college.

On 11/4/2017 Tuesday the first harvest from the garden was inaugurated by the honorable MLA Sri. O. R. Kelu. The first products were ladies finger. The first sale was carried out by Program Officer Abid Tharavattath by selling to Principal in Charge Dr. K. Sajith. All the item harvested on the day was sold in few minutes itself. We received the district level third best cultivation award from Agriculture department.

### “Punarjjani”Tri day Mini Camp

After the successful completion of Punarjjani annual 7 day camp at Wayanad District Hospital, the NSS units of the college decided to conduct a Punarjjani mini camp in our college itself. Being one of the Engineering College under government it was an apt choice also. The camp was scheduled from 24/3/2017 to 26/3/2017.

The furniture and equipment repairing was very successful. **We re-created assets of value Rs. 7,65,401/- (Rupees Seven Lakhs Sixty Five Thousand and Four Hundred and One only).** The team repaired desktop computers, projectors, fluorescent lamps, ceiling fans, vacuum cleaner, chairs, toilet doors and so on. The Central Computing Facility (CCF) lab was fully regenerated through this Punarjjani 2017.

### **13.5     *Hostel***

The ladies hostel has a total capacity of 168 lady students. At present 156 UG students are staying in the hostel. There are 12 vacancies reserved for PG students. The hostel is managed by PTA. The entire hostel expenses, including the salary of Matron and supporting staff (cleaning staff, security staff etc.) are shared by the students.

The hostel has internet connectivity, mini store, mini library, fitness equipments and sports facilities (Table tennis and Shuttle badminton).

Men's hostel started functioning from 12 Feb 2016. It can accommodate 250 students.

The construction work of one more hostel for ladies with a capacity of 168 students has started. The construction is entrusted with PWD. It is funded by AICTE and SC development Department, Government of Kerala.
